

Bianca LaChaux MS, MCHES

Bianca strives to build comprehensive programs because she is passionate about placing the building blocks that have potential to increase the support and resources for children, youth, families and community.

Bianca has a demonstrated history of working in the health wellness and fitness industry. She is committed to quality and uses of the most current available data to inform practice, leadership skills, and strategic partnerships. In her prior positions she received several honors and recognition at the local, state and national levels. As Director of Community Schools, she developed a dedicated diverse team of community school leads who were often called on to lead efforts within the school setting and within the community. As the Director of Health and Enrichment at WCC-YMCA she received recognition for an innovative program that integrated, Health Service, Community Schools and After School programs at High School sites.

“My belief is that we can’t do it alone, nor should we. Collaboration is key to ensuring equity and inclusion.”
